Security Procedures

To all MILCOM 2003 Registrants:

All attendees and exhibitors will be required to show one (1) form of photographic identification in order to receive their MILCOM credentials (name badge) and/or badge holder. This form of identification needs to be either a government issued ID, driver's license and/or passport.

Credentials (name badges) are required for admittance to all sessions and events. Authorized personnel will be stationed at all room entrances to verify that anyone seeking admission is properly credentialed/badged. We appreciate your cooperation in wearing these credentials where they can be easily seen by personnel monitoring room admittance. Credentials are nontransferable. Lost credentials should be reported immediately to the MILCOM 2003 Registration Center.

The MILCOM 2003 Committee reserves the right to revoke the credentials of anyone whose behavior is deemed to be disruptive to the meeting or to other meeting attendees. Personal belongings such as briefcases, coats, etc. should not be left unattended in business sessions or events. These items will be subject to removal by security. Please note that throughout the conference, personal items to include but not be limited to briefcases, purses, boxes, and bags will be subject to search.
