ASSURING MISSION SUCCESS

November 17–19 San Diego Convention Center

Terence Edwards

Terence (Terry) Edwards

Chief Information Officer

U.S. Army Materiel Command

Terry Edwards was appointed to the Senior Executive Service in May 2005, and currently serves as the Chief Information Officer (CIO) for the U.S. Army Materiel Command (AMC), Fort Belvoir, Va. He is responsible for positioning AMC Information Operations to provide maximum readiness support to the Army, every soldier, combatant commanders, and joint/combined/expeditionary operations. He serves as the principal advisor to the AMC Commanding General on all information technology matters. He directs all the information activities of the Command as the central authority, senior counselor, and prudent advocate for all Command, Control, Communications, Computers and Information Management (C4IM) including enterprise policy, planning, guidance, direction, and resource management. He provides the leadership to ensure improved design, acquisition, use, performance, effectiveness, sharing and timely retirement of information assets. .
