ASSURING MISSION SUCCESS

November 17–19 San Diego Convention Center

Jan Heide

Jan Heide

Program Manager, Mobile User Objective System
Boeing

Jan Heide is currently the program manager for Boeing's Mobile User Objective System (MUOS) program. She began her more than 25-year Boeing career as a General Dynamics employee as part of their contracts and estimating organization. She has also held positions with Hughes Training Inc. as a project manager responsible for creating integrated product development infrastructure for Hughes Electronics. She has also held a variety of business manager positions for Hughes Space and Communications Company.

Heide has a bachelor's degree from the University of Southern California and a master's degree in business administration from Claremont University.
