

MILCOM:08

ASSURING MISSION SUCCESS

November 17–19 San Diego Convention Center

Capt. Renee Rodeck

Capt. Renee Rodeck (U.S. Navy, Retired)

Deputy Director, MILSATCOM Systems Wing
Space and Missile Center

After 30 years of service, Capt. Renee Rodeck retired from the U.S. Navy in March 2008 and joined the Air Force civilian community as deputy director of the Military Satellite Communications (MILSATCOM) Systems Wing, Los Angeles Air Force Base, which is the Department of Defense's primary acquirer of satellite communications systems for the warfighter.

The Wing's portfolio of \$43 billion comprises ACAT I and II programs ranging from concept development to sustained constellations, ground support and Air Force terminal development.

In addition to her other duties, Capt. Rodeck is responsible for international cooperation across the MILSATCOM portfolio. Capt. Rodeck has been involved in various aspects of C4ISR throughout her military career.
