ASSURING MISSION SUCCESS

November 17–19 San Diego Convention Center

Robert Stadel

Robert Stadel

Director of Business Development
L-3

Robert Stadel currently serves as director of business development with focus on the Navy and Advanced Projects. Stadel is a graduate of Southern Illinois University (SIU), Naval Nuclear Power School, and the University of Utah Executive MBA program.

His experience as a technologist with one foot planted firmly in engineering and the other in business and finance, provide a strong foundation as he contributes to the L-3 management team.

Stadel has held roles of increasing responsibility in engineering, product and business development, and program management since 2000.
