

# MILCOM:08

ASSURING MISSION SUCCESS

November 17–19 San Diego Convention Center

## Peter Stauffer

### Peter Stauffer

Chief, SATCOM Division  
SMDC/ARSTRAT CIO/G6

Peter Stauffer is the chief of the SATCOM division at Space and Missile Defense Command/Army Space Forces Command (SMDC/ARSTRAT). He is responsible for U.S. Strategic Command directed SATCOM System Expert (SSE) missions for Wideband Global SATCOM (WGS), Global Broadcast Service, Mobile User Objective System, and operational control of regional SATCOM support centers.

Stauffer is serving as the U.S. operational project manager (OPM) supporting the U.S./AUS WGS memorandum of understanding and was a key member of the U.S. delegation during negotiations with Australia. He has worked SATCOM issues for the Department of Defense for nearly 25 years.
